

Continuing to a Ph.D. Program in Comparative Literature and Cultural Studies (CL/CS)

Curious about further opportunities after completing a degree in Cultural Studies or Comparative Literature?

Cultural Studies or Comparative Literature students who want to know what kind of academic and/or employment options their degree affords them may find the following links useful. We have listed current Cultural Studies and Comparative Studies programs (both in the US and in Europe) that offer a Ph.D. degree. If available, we listed a general description of the program (Program Design), admission requirements (Admission Requirements), funding information (Funding Information), and information about where graduates of these programs have found employment (Student Placement).
