THURSDAY, OCTOBER 23, 2014
6:30 – 7:15pm
ORTEGA HALL 153

DESCRIPTION

In an increasingly global society, many professional organizations recommend that students gain international experience for their career. The DAAD provides funding in a number of academic disciplines and areas for faculty and students to carry out scholarly work in Germany in German or English; among these are Study and Internship programs, Bundestag Internships, independent studies, and program for journalism students.

The presentation will be in English.

PRESENTER

Dr. White has been teaching chemistry at Sam Houston State University for 30 years. He is a two-time DAAD grant holder, and researched at the *Julius-Maximilians-Universität Würzburg* and the *Universität Siegen* for two summers. He was in the inaugural class of DAAD Research Ambassadors, and is currently serving on the DAAD Alumni Association Board of Directors.
